### **MEDIA**

**TITLE:** Video Description: Implementation of the Twenty-First Century Communications and Video Accessibility Act of 2010 (MB Docket No. 11-43)

**SUMMARY:** The Commission will consider a Second Report and Order that will enhance support for individuals who are blind or visually impaired by expanding audio description requirements to additional market areas. The Order would help ensure that a greater number of individuals who are blind or visually impaired can be connected, informed, and entertained by television programming.
